

SVCF Brings Your Philanthropic Vision to Life

At SVCF, the possibilities for making a difference start with your vision. Our team works closely with you to help you realize that philanthropic vision, removing the barriers and simplifying the process so that you can enjoy the rewards of giving. You gain access to unmatched expertise, community connections and learning opportunities. As the largest community foundation in the world, SVCF is committed to engaging donors to make our region and world better for all.

SVCF services revolve around your philanthropic goals

- Get access to a philanthropic team to help implement your vision
- Start your fund with a simple agreement; SVCF can accept cash, securities, private stock, real estate or other complex assets
- Give locally, nationally or around the world, your fees are reinvested into our mission
- Connect with causes you care about and like-minded individuals at exclusive events or in donor circles

Why Choose Silicon Valley Community Foundation?

Unlike commercial financial institutions that offer donor advised funds, SVCF is a charitable organization with a mission to advance philanthropic solutions to challenging problems regionally, nationally and around the world. Revenue we receive from fees is reinvested into this goal.

For donors who have funds of \$1 million or more, we also offer individually managed funds. A donor may recommend his/her investment advisor and continue to receive investment management expertise from that advisor while enjoying SVCF's world-class donor services.
